Patty Goodson on the right. Ava-Robin Cohen on the left. Can't even tell what the guys on the bottom are doing (looks like a D&D; map to me)

It's Marshall Peck and Paul Moody at the bottom. I think that might be a map of Sphinx

Yes, That's Marshall and me working on a map of the random landscape generator (on our office wall). There were stamp sets that that fit together (think of the kid's card game 'river, rails and roads' so the sets could be displayed in any order - some sets had the river get really wide, others it almost vanished. Ah that was fun.
